Dworshak State Park  
Idaho Department of Parks and Recreation

## Three Meadows Group Camp

Three Meadows Group Camp is nestled in a lush forest; perfect for retreats, family reunions, church camps, youth camps, educational camps and other functions.

The camp's nine heated cabins have electricity and can accommodate up to 100 people (users provide their own bedding). Additional areas are available for tents and RV's with water and electricity hookups (one 50 Amp hookup and three 30 Amp hookups).

Quiet paths lead from the cabins to the spacious, modern men's and women's restrooms with flush toilets, large multiple sink areas and 12 individual showers.

All groups using Three Meadows are responsible for keeping the facilities and grounds clean during their stay and upon departure. The park will provide cleaning supplies, toilet paper, mops, grill bricks, and most other needed equipment. Groups must bring their own kitchen towels, paper napkins, and other disposable products and bedding.

## The Lodge at Three Meadows

The lodge contains a large meeting and dining area with banquet tables and chairs, benches, and a wood burning stove.

There are speakers, a pingpong table, shuffleboard, and a table soccer game and a variety of games.

Outside the lodge is a large barbeque grill and a large number of picnic tables on a hard cement surface.

Nearby are beautiful shaded open grass areas, a large sand pit for children to play in, and two horseshoe pits.

Groups are responsible for cleaning the lodge and other facilities prior to departure. Everything must be left in the same condition as upon arrival. This includes the showers, toilets, sinks, floors, mirrors, cabins, lodge, kitchen area and equipment, as well as any other areas that are used.

## Recreation at Three Meadows

A large multipurpose field is adjacent to the central camp complex and offers a volleyball court, a basketball court, a baseball diamond, a group bonfire area, an outdoor amphitheater with projection screen and electrical service.

A large sandbox and horseshoe pits are located next to the picnic area behind the lodge.

Balls and bats, horseshoes, soccer balls, volleyballs, basketballs, and other recreational equipment is available upon request.

Boating, swimming, and fishing on the Dworshak Reservoir is approximately one fourth mile from the central complex via a very narrow single-lane, permit-access only road to the dock.
